

PUBLICATIONS (last updated on January 2, 2024)

JOURNAL ARTICLES

Arendt, F. (2024). The media and democratization: A long-term macro-level perspective on the role of the press during a democratic transition. *Political Communication*, 41(1), 26-44.

Arendt, F. (2023). Media stereotypes, prejudice, and preference-based reinforcement: Toward the dynamic of self-reinforcing effects by integrating audience selectivity. *Journal of Communication*, 73(5), 463-475.

Arendt, F., Forrai, M., & Mestas, M. (2023). News framing and preference-based reinforcement: Evidence from a real framing environment during the COVID-19 pandemic. *Communication Research*, 50, 179-204.

Arendt, F., Markiewitz, A., & Scherr, S. (2023). News for life: Improving the quality of journalistic news reporting to prevent suicides. *Journal of Communication*, 73(1), 73-85.

Arendt, F., & Mestas, M. (2023). Suicide among soldiers and social contagion effects: An interrupted time-series analysis. *Social Science & Medicine*, 320, 115747.

Arendt, F., Northup, T., Forrai, M., & Scheufele, D. (2023). Why we stopped listening to the other side: How partisan cues in news coverage undermine the deliberative foundations of democracy. *Journal of Communication*, 73(5), 413-426.

Arendt, F., Till, B., Voracek, M., Kirchner, S., Sonneck, G., Naderer, B., Pürcher, P., & Niederkrotenthaler, T. (2023). ChatGPT, artificial intelligence, and suicide prevention: A call for a targeted and concerted research effort. *Crisis: The Journal of Crisis Intervention and Suicide Prevention*, 44, 367-370.

Mestas, M., & **Arendt, F.** (2023). A longitudinal dynamic perspective on quality in journalism: Investigating the long-term macro-level media effect of suicide reporting on suicide rates across a century. *Communication Research*. Advance online publication.

Mestas, M., & **Arendt, F.** (2023). Suicide reporting in the nineteenth century: Large-scale descriptive content analysis of Austrian newspapers. *Media History*, 29, 305-320.

Mestas, M., & **Arendt, F.** (2023). Celebrity suicide and forced responsible reporting in the nineteenth century: Crown Prince Rudolf and the absence of a Werther Effect. *Health Communication*, 38(3), 568-574.

- Mestas, M., & **Arendt, F.** (2023). Suicide of a tenor amidst the stage setting of the Werther opera's death scene: A historical case report. *Crisis: The Journal of Crisis Intervention and Suicide Prevention*, 44(2), 122-127.
- Scherr, S., **Arendt, F.**, & Haim, M (2023). Algorithms without frontiers? How language-based algorithmic information disparities for suicide crisis information sustain digital divides over time in 17 countries. *Information, Communication and Society*, 26(14), 2690-2706.
- Till, B., **Arendt, F.**, Kirchner, S., Naderer, B., & Niederkrotenthaler, T. (2023). The role of monocausal vs. multicausal explanations of suicide in suicide reporting: A randomized controlled trial. *Suicide and Life-Threatening Behavior*, 53, 1063-1075.
- Till, B., **Arendt, F.**, Rothauer, P., & Niederkrotenthaler, T. (2023). The role of the narrative in educative suicide awareness materials: A randomized controlled trial. *Health Communication*. Advance online publication.
- Unterreiter, L., Scherr, S., & **Arendt, F.** (2023). Investigating the effects of disclosure of lived experience of depression by mental health professionals: A web-based randomized controlled trial. *Health & New Media Research*, 7(1), 31-37.
- Arendt, F.**, & Mestas, M. (2022). Celebrity suicide of a pre-world war I spy: Colonel Redl and the Werther effect. *Crisis: The Journal of Crisis Intervention and Suicide Prevention*, 43(2), 112-118.
- Arendt, F.**, & Mestas, M. (2022). Coronavirus disease (COVID-19) pandemic and stock price crashes: A cross-national correlational approach. *Health Communication*, 37, 760-767.
- Arendt, F.**, Mestas, M., & Forrai, M. (2022). Uncovering blind spots in the intention to provide adequate help to suicidal individuals: An exploratory web-based experiment. *Crisis: The Journal of Crisis Intervention and Suicide Prevention*, 43(6), 493-499.
- Niederkrotenthaler, T., Till, B., Kirchner, S., Sinyor, M., Braun, M., Pirkis, J., Tran, U., Voracek, M., **Arendt, F.**, Ftanou, M., Kovacs, R., King, K., Schlichthorst, M., Stack, S., & Spittal, M. (2022). Effects of media stories of hope and recovery on suicidal ideation and help-seeking attitudes and intentions: Systematic review and individual participant data meta-analysis of randomised controlled trials. *The Lancet Public Health*, 7, e156–68.
- Scherr, S., & **Arendt, F.** (2022). COVID-19, media, and communication scholarship: Adequate concepts for the crisis or a crisis of concepts? *Annals of the International Communication Association*, 46(4), 255-257.
- Scherr, S., Reifegerste, D., **Arendt, F.**, van Weert, J., & Alden, D. (2022). Family involvement in medical decision making in Europe and the United States: A replication and extension in five countries. *Social Science & Medicine*, 301, 114932.

- Arendt, F.** (2021). Assessing responsible reporting on suicide in the nineteenth century: Evidence for a high quantity of low-quality news. *Death Studies*, 45(4), 305–312.
- Arendt, F.** (2021). The opioid-overdose crisis and fentanyl: The role of online information seeking via internet search engines. *Health Communication*, 36(10), 1148–1154.
- Arendt, F.**, Markiewitz, A., & Scherr, S. (2021). Investigating suicide-related subliminal messages on Instagram: A frame-by-frame analysis of video posts. *Crisis: The Journal of Crisis Intervention and Suicide Prevention*, 42(4), 263–269.
- Dan, V., & **Arendt, F.** (2021). Visual cues to the hidden agenda: Investigating the effects of ideology-related visual subtle backdrop cues in political communication. *The International Journal of Press/Politics*, 26(1), 22–45.
- Forrai, M., Mestas, M., & **Arendt, F.** (2021). COVID-19-Impfung, ORF und Servus TV: Zur Korrespondenzbeziehung zwischen der Rezeption von Nachrichten-Kommentaren und der Impfbereitschaft. *Medien Journal*, 45(2), 21–34.
- Markiewitz, A., **Arendt, F.**, & Scherr, S. (2021). Verantwortungsvolle Berichterstattung über Suizide: Forschungsüberblick und Empfehlungen für die journalistische Praxis. *Medien Journal*, 44(3), 50–68.
- Scherr, S., **Arendt, F.**, Prieler, M., & Ju, Y. (2021). Investigating the negative-cognitive-triad-hypothesis of news choice in Germany and South Korea: Does depression predict selective exposure to negative news? *The Social Science Journal*. Advance online publication.
- Scherr, S., Haim, M., & **Arendt, F.** (2021). How search engines may help reduce drug-related suicides. *Drug and Alcohol Dependence*, 226, 108874.
- Till, B., **Arendt, F.**, & Niederkrotenthaler, T. (2021). The relationship between crime-related television viewing and perceptions of the death penalty: Results of a large cross-sectional survey study. *Frontiers in Psychology*, 12, 715657.
- Till, B., **Arendt, F.**, & Niederkrotenthaler, T. (2021). Effects of media portrayals of alleged malpractice in psychiatry and response strategies to mitigate reputational damage: Randomized controlled trial. *Journal of Psychiatric Research*, 138, 456–462.
- Arendt, F.** (2020). The press and suicides in the nineteenth century: Investigating possible imitative effects in five territories of the Austro-Hungarian Empire. *Omega: Journal of Death and Dying*, 81, 424–435.
- Arendt, F.** (2020). Prejudiced responses in patient-physician communication? No evidence for across-the-board unintended effects in majority patients. *Health & New Media Research*, 4(1), 31–45.

- Arendt, F., Forrai, M., & Findl, O. (2020).** Dealing with negative reviews on physician-rating websites: An experimental test of how physicians can prevent reputational damage via effective response strategies. *Social Science & Medicine*, 266, 113422.
- Arendt, F., & Karadas, N. (2020).** Implicit and explicit attitudes toward Germany as news-choice predictors in Muslims with migration backgrounds living in Germany. *Communications: The European Journal of Communication Research*, 45(4), 440–462.
- Arendt, F., Haim, M., & Scherr, S. (2020).** Investigating Google's suicide-prevention efforts in celebrity suicides using agent-based testing: A cross-national study in four European countries. *Social Science & Medicine*, 262, 112692.
- Arendt, F., Markiewitz, A., Mestas, M., & Scherr, S. (2020).** COVID-19 pandemic, government responses, and public mental health: Investigating consequences through crisis hotline calls in two countries. *Social Science & Medicine*, 265, 113532.
- Arendt, F., & Romer, D. (2020).** Problems posed by the Werther effect as a “net effect”: A comment on recent scholarly work on the effects of “13 Reasons Why”. *British Journal of Psychiatry*, 217(6), 665–666.
- Arendt, F., & Scherr, S. (2020).** News-stimulated public-attention dynamics and vaccination coverage during a measles outbreak: An observational study. *Social Science & Medicine*, 265, 113495.
- Markiewitz, A., **Arendt, F.**, & Scherr, S. (2020). Increasing adherence to media guidelines on responsible reporting on suicide: Suggestions from qualitative interviews with German journalists. *Journalism Studies*, 21, 494–511.
- Markiewitz, A., **Arendt, F.**, & Scherr, S. (2020). #suizid. Zur Darstellung von Suizid in sozialen Netzwerken und den möglichen Auswirkungen auf Jugendliche. *KJug*, 65, 19–25.
- Niederkrotenthaler, T., Braun, M., Pirkis, J., Till, B., Stack, S., Sinyor, M., Tran, U., Voracek, M., Cheng, Q., **Arendt, F.**, Scherr, S., Yip, P., & Spittal, M. (2020). Association between suicide reporting and suicide: Systematic review and meta-analysis. *The BMJ: British Medical Journal*, 368, m575.
- Arendt, F. (2019).** Investigating the negation of media stereotypes: Ability and motivation as moderators. *Journal of Media Psychology*, 31, 48–54.

CONFERENCE PRESENTATIONS

Arendt, F., Markiewitz, A., & Scherr, S. (2023, May). News for life: Improving the quality of journalistic news reporting to prevent suicides. Paper presented at the 73rd Annual Conference of the International Communication Association (ICA), Toronto, Canada.

Arendt, F. (2022, September). Keynote Speech: Strategic Communication during a Pandemic: Theoretical Insights from Health Communication. Conference of the European Public Relations Education and Research Association (EUPRERA), Vienna, Austria.

Dan, V., & **Arendt, F.**, (2022, August). *The effects of dog-whistle politics*. Paper presented at the Annual Conference of the Association for Education in Journalism and Mass Communication (AEJMC), Detroit, Michigan, USA. [BEST PAPER AWARD Fourth Place Open-Competition]

Arendt, F., Forrai, M., & Mestas, M. (2022, May). *News framing and preference-based reinforcement: Evidence from a real framing environment during the COVID-19 pandemic*. Paper presented at the 72nd Annual Conference of the International Communication Association (ICA), Paris, France.

Prieler, M., Ju, Y., Scherr, S., **Arendt, F.**, & You, M. (2022, May). *Little strokes fell big oaks: How repeated recommendations for responsible suicide reporting drive the quality of suicide news in South Korea*. Paper presented at the 72nd Annual Conference of the International Communication Association (ICA), Paris, France.

Scherr, S., **Arendt, F.**, & Haim, M. (2022, May). *Algorithms without frontiers? How language-based algorithmic information disparities sustain digital divides over time in 17 countries*. Paper presented at the 72nd Annual Conference of the International Communication Association (ICA), Paris, France.

Reifegerste, D., Scherr, S., **Arendt, F.**, van Weert, J., & Alden, D. L. (2021, September). *Cultural value orientation as antecedents of family involvement in health communication: A cross-national survey study of European countries and the United States*. Paper presented at the Annual Conference of the European Communication Research and Education Association (ECREA), Virtual Conference.

Arendt, F., & Mestas, M. (2021, May). *The coronavirus disease (COVID-19) pandemic and stock price crashes: A cross-national correlational approach*. Paper presented at the 71st Annual Conference of the International Communication Association (ICA), Virtual Conference.

Arendt, F., Markiewitz, A., Mestas, M., & Scherr, S. (2021, May). *COVID-19 pandemic, government responses, and public mental health: Investigating the consequences through crisis hotline calls in two countries*. Paper presented at the 71st Annual Conference of the International Communication Association (ICA), Virtual Conference.

- Haim, M., Scherr, S., & **Arendt, F.** (2021, May). *Search engines can help prevent suicidal overdoses in the opioid crisis*. Paper presented at the 71st Annual Conference of the International Communication Association (ICA), Virtual Conference.
- Mestas, M., & **Arendt, F.** (2021, May). *Celebrity suicide and forced responsible reporting in the nineteenth century: Crown Prince Rudolf and the absence of a Werther Effect*. Paper presented at the 71st Annual Conference of the International Communication Association (ICA), Virtual Conference.
- Arendt, F.** (2020, November). *Nicht gleich für alle? Ein Überblick über Forschungsergebnisse zu Googles „Suizid-Präventions-Resultat“ und die „globale digitale Kluft“ im Zugang zu präventiver Gesundheitsinformation*. Paper presented at the Conference of the Austrian Public Health Association (ÖGPH), Virtual Conference.
- Arendt, F.**, Markiewitz, A., & Scherr, S. (2020, May). *Subliminal suicide messages on Instagram*. Paper presented at the 70th Annual Conference of the International Communication Association (ICA), Virtual Conference.
- Dan, V., & **Arendt, F.** (2020, May). *The effects of subtle backdrop cues in political images*. Paper presented at the 70th Annual Conference of the International Communication Association (ICA), Virtual Conference.
- Reifegerste, D., Scherr, S., **Arendt, F.**, Weert, J., & Alden, D. (2020, May). *Predicting family involvement preferences in medical decision making: A cross-national survey study*. Paper presented at the 70th Annual Conference of the International Communication Association (ICA), Virtual Conference.
- Scherr, S., & **Arendt, F.** (2020, May). *News-stimulated public-attention dynamics and vaccination coverage during a recent measles outbreak: An observational study*. Paper presented at the 70th Annual Conference of the International Communication Association (ICA), Virtual Conference.
- Markiewitz, A., **Arendt, F.**, Scherr, S. (2019, November). *Preventing imitation suicides: Evaluation of media guidelines on responsible reporting on suicide by German journalists. Implications for designing awareness campaigns*. Paper presented at the European Conference on Health Communication, Zurich, Switzerland.
- Till, B., **Arendt, F.**, Scherr, S., & Niederkrotenthaler, T. (2019, September). *The role of language in suicide reporting: Investigating framing effects of different suicide referents*. Paper presented at the World Congress of the International Association for Suicide Prevention, Derry/Londonderry, Northern Ireland.
- Till, B., **Arendt, F.**, Scherr, S., & Niederkrotenthaler, T. (2019, September). *Die Bedeutung von Sprache in der Suizidberichterstattung*. Paper presented at the conference „Überleben: Tabuthema Suizid“, Graz, Austria.
- Till, B., **Arendt, F.**, Scherr, S., & Niederkrotenthaler, T. (2019, May). *Die Rolle von Sprache bei der Berichterstattung über Suizid: Eine Untersuchung über die Wirkung*

- unterschiedlicher Begriffe für Suizid*. Paper presented at the Conference of the Österreichischen Gesellschaft für Public Health, Vienna, Austria.
- Till, B., **Arendt, F.**, Scherr, S., & Niederkrotenthaler, T. (2019). *Die Bedeutung von Sprache bei der Berichterstattung über Suizid: Eine Studie zur Wirkung von unterschiedlichen Begriffen für Suizid*. Paper presented at the Annual Conference of the Österreichischen Gesellschaft für Psychiatrie, Psychotherapie und Psychosomatik, Gmunden, Austria.
